Representatives from BI Worldwide and Venue Search London were among 35 agencies taking part. The weekend included a number of challenges across various LCS venues, with prizes including dinner for two at The Gherkin, a stay at Apex City of London and the Montcalm, and dinner and tickets to a performance of choice at The Barbican.

London City Selection events chair, Lorraine Butler, said: "The Pinstripes and Pearls weekend was such a great success. We had an incredible amount of interest from agents from the outset, with the event fully booked weeks in advance, and there was a real buzz of excitement before and throughout the weekend."
