## Just Because I am Excited About BritMums Live!

[Leave a reply](#)

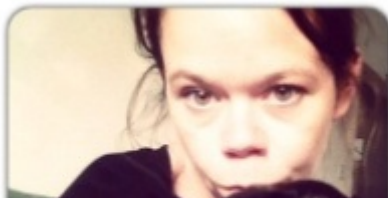

In April 2012 I decided to set up a blog as a way of channel my creativity and creating an online CV of my writing work. Little did I know how much I would love it and how rewarding I find it. As well as coming across some amazing charities, trying great products and even getting a new bed, I have also made friends with some brilliant women and am now counting down the days until I am meet Monday is usually 'Mums on the Run' on JBIL but today it is more about a mum, me, on the run to London later this week for an amazing event called [BritMums Live!](#).

For those of you how aren't bloggers, [BritMums Live!](#) is the UK's biggest, two-day social media conference and blogger event and is a chance for lifestyle bloggers to meet and socialise, network with brands, improve their skills, and fire their creativity.

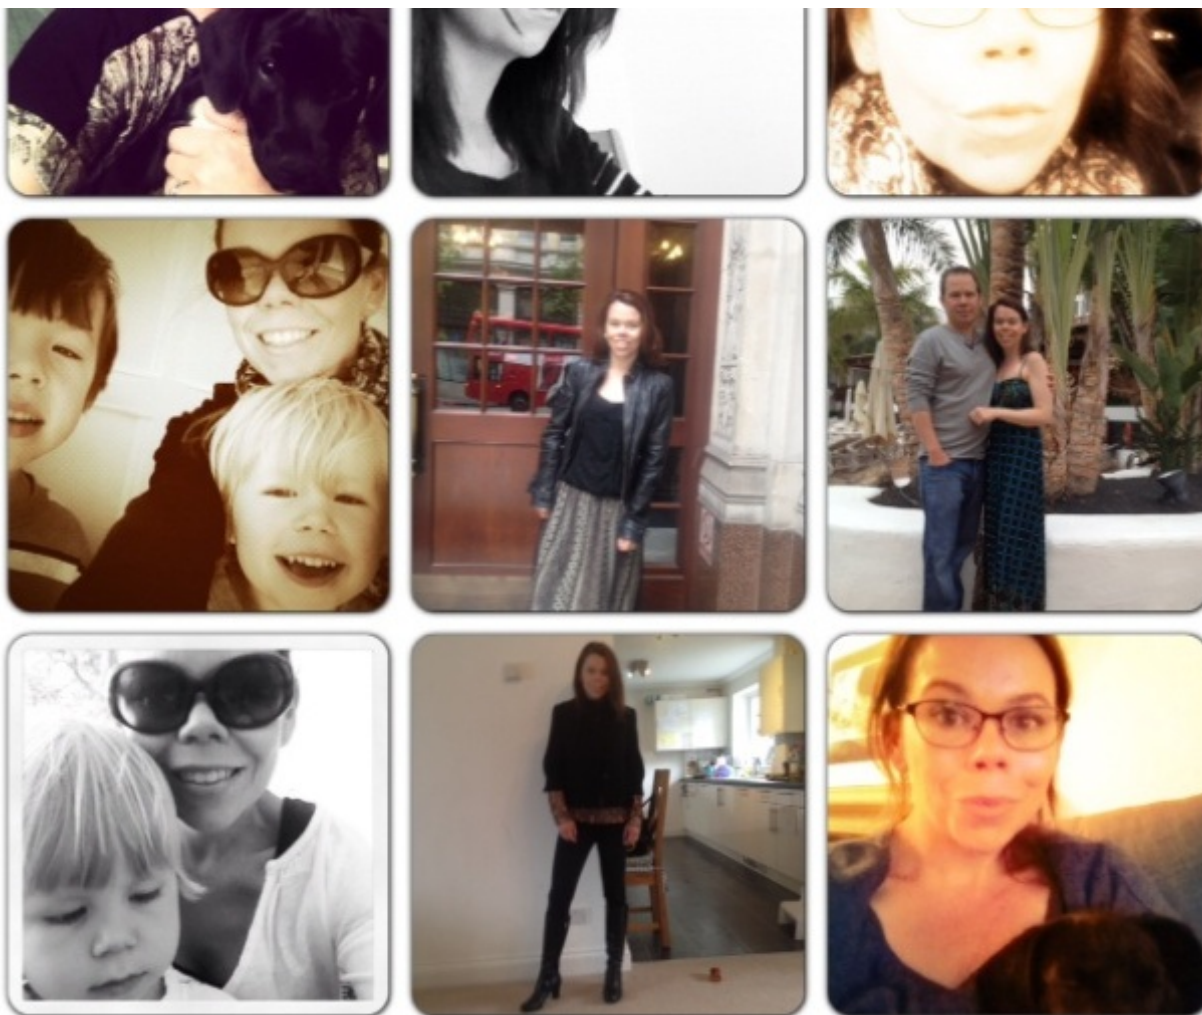

So for all those lovely mums (and dads) who will be at [BritMums Live!](#) this weekend below is what you need to know about me. I hope you like what you read and come and say HELLO!

### The Basics:

My name is Natalie Trice but most people call me Nat and two small people call me Mummy. I am 5ft 4, have long, brown hair that is and very straight and usually worn up and have hazel eyes that are sometimes framed by new Tiffany glasses that I LOVE

**About me:**

Well of course I am a blogger. I am also a mummy and have two little boys called Eddie (6) and Lucas (4), I am married to Oliver, have a cat called Iris, a dog called Roxy and am always on the go.

I have worked in PR for over 16 years but my really passion is writing and I am determined to see my novel on the shelves of Amazon one day.

I love bags, being in love with my husband, boots, clothes, coffee, fashion, lipstick, my boys, shoes, shopping, trainers, walking my dog and writing my blog.

### **Is this your first blogging conference?**

No, I went to Cybher earlier this month but this is my first BritMums event and I am very excited. I am lucky enough to be sponsored by [Hillarys](#) and thanks to them I will hopefully come away inspired and ready to take the next steps of my blogging career.

### **Are you attending both days?**

Yes and I cannot wait.

### **What are you most looking forward to at BritMums Live 2013?**

Since I started blogging in April 2012 I have made some lovely friends but all online so the main thing I am looking forward to is meeting them in person and getting to know

them even better.

As well as that there are some great sessions that I think will make me a better blogger. There is an amazing [agenda](#) and I am hoping to get slot with the literary agents on Friday and I have my tissues ready for the talk by the amazing Katie Piper on Saturday morning.

Secretly I am also really looking forward to a night away and a bit of a rest. The idea of no one being naughty and getting to sleep in a big double bed with fresh sheets and enjoying a hot, relaxing bubble bath at the [MontCalm](#) is really appealing.

### **What are you wearing?**

Argh I still cannot decide, but I am working on it but may have to do a little bit of shopping at some point between now and Friday.

### **What do you hope to gain from BritMums Live 2013?**

That is easy – confidence, knowledge, new friends and inspiration.

### **Tell us one thing about you that not everyone knows about you: I**

have a bird phobia.

So, I just have the next four days to beat this summer cold I have caught and then get on that train and start learning and networking.

Nat x
